LOCAL CONGREGATIONS............................. PAGE 5
LOCAL CAMPUS MINISTRIES....................... PAGE 14
“For everything there is a season, and a time for every matter under heaven: ... a time to break down, and a time to build up ... a time to keep, and a time to throw away.”

(ECCLESIASTES 3:1)

For some, the college years are a time and season to “break down” and “throw away” traditions from the past as we seek to discover what we believe and value for ourselves. For others, the college years are a time and season to “build up” and “keep” that which has shaped who we are and claim it as our own.

Whether breaking down and throwing away, building up and keeping (and most likely some of both), involvement in a community of faith can help us sort out what we believe, why we believe it and what difference it makes in the way we live out the rest of our lives.

Some will settle into one congregation and develop deep and lasting relationships; others will visit several congregations and experience a stimulating variety. Either way, the college years are a unique opportunity to deepen our understanding and experience of the mystery called God.

The Congregations and Campus Ministries listed in this directory represent a rich variety of worship, fellowship, study and service that is available during your time at Bridgewater College. The congregation of each faith tradition listed in most cases is the one nearest campus. I can provide more information about specific congregations and assistance with transportation.

May this be the time and season for you to sort out what needs to be broken down and thrown away, what needs to be built up and kept, and how you roll with the mystery called God. Let me know how I can help!

Wishing you grace and peace,

Chaplain Robbie

Robbie Miller
