

THE BRIDGEWATER COLLEGE ALUMNI ASSOCIATION

Award Nomination Form

The Bridgewater College Alumni Association accepts nominations for its awards, recognizing BC alums who have achieved excellence in either their vocation or profession or through volunteer acts that fall outside their vocation. Award criteria listed below.

- The **DISTINGUISHED ALUMNUS AWARD** was established to annually recognize one alumnus/a of Bridgewater College for his or her vocational and/or professional achievements. Attention is also given to recognition the individual has received in his or her given profession.
- The **WEST WHITELOW HUMANITARIAN SERVICE AWARD** was established to annually recognize one alumnus/a who engages in volunteer acts of service that fall outside the requirements of their vocation. This award has been created to honor those who improve their communities – and we define community broadly to encompass global issues as well -- without consideration for remuneration or recognition.
- The **YOUNG ALUMNUS AWARD** was established to annually recognize one or more alumnus/a of Bridgewater College, who has not yet reached the age of 40, for his or her vocational and/or professional achievements alumni. Attention is also given to recognition the individual has received in his or her given profession. In that regard, the award also is intended to identify and affirm the potential for even more remarkable achievements.
- The principles guiding selection of a recipient of a **RIPPLES SOCIETY MEDAL** are as follows: loyal devotion to Bridgewater College, vocational and/or professional achievement and humanitarian activities. In the consideration of “guiding principles,” current activities should receive priority. It is intended to make this award available to persons who have not received the Distinguished Alumnus award. One or more alumni of Bridgewater College, Blue Ridge College, Daleville College and Hebron Seminary of 50 or more years ago may be awarded the Ripples Society Medal each year.
