

January 2007

Bridgewater College can be many things to many people, but certain reliable and unchangeable elements define the BC experience. Since 1880, Bridgewater College has provided a solid academic program with a variety of campus experiences, enriched by a strong sense of community. It has supported the development of the whole person, emphasizing personal integrity, ethical conduct and moral character. And, it has united academic studies, co-curricular activities and service to others to equip students to become leaders in their communities.

Founder Daniel Christian Flory organized Bridgewater as a residential college where students, by living together, could learn from one another as well as from the faculty. As a result, Bridgewater College students can explore their full potential through scholarly activities and other pursuits that foster intellectual, emotional, physical and spiritual growth, and prepare them for a lifetime of learning. Developing integrity, character and principled values, as well as maintaining the highest academic standards, still comprise the foundation of the Bridgewater College mission.

If these are the qualities you are seeking in a college, then Bridgewater College is the right choice for you.

We invite you to examine the catalog and see for yourself the vast array of educational opportunities available here. The catalog describes academic offerings, scholarships, financial aid programs, student activities, and other important components of Bridgewater College, and conveys the strong liberal arts focus we believe helps develop the well-educated person.

We also invite you to visit our campus, nestled in the beautiful and historic Shenandoah Valley of Virginia, and share in the excitement of the Bridgewater College experience. We invite you to be a part of our community of learning, growing and succeeding.

Sincerely,

A handwritten signature in black ink, which appears to read "Phillip C. Stone". The signature is written in a cursive, flowing style.

Phillip C. Stone
