URUGUAY

The Universidad Católica del Uruguay

Semester 1: early August to December
Semester 2: early March to July

LOCATION

The Universidad Católica del Uruguay is located in Montevideo, the capital of Uruguay, and has a total enrollment of 4,500 students. Montevideo offers a mild climate, clean air and wonderful beaches. The university is a 15-minute ride from the downtown area.

PROGRAM DETAILS

(Minimum of five semesters of university-level Spanish required)

Students may take courses in business and economics, communications, computer science, education, psychology, sociology, and more. In addition to taking courses from the regular curriculum, a special program for foreign students offers four courses per semester: Uruguayan and Latin American history, Uruguayan literature, Spanish language (two levels offered), and Uruguayan culture.

COMMUNITY ENGAGEMENT

The human sciences faculty offers a Community Service Program where international and Uruguayan students work in poor areas. Program participants work with children or young people in a cross-cultural service-learning experience. Students enrolled in this Community Service Program receive a grade and credit hours for their participation.

HOUSING AND MEALS

Housing and meals are provided by host families. Host families will meet students at the airport.

International students can participate in extra-curricular activities, such as sports, theatre, choir and visual arts. Every semester an International Fair is organized with the help of exchange students in order to reach out to the university community.
