

Request for Digital Certificate

For wireless networking

To access the wireless network at Bridgewater College, you must acquire and install digital certificates. The digital certificates are necessary to validate your system's identity to the wireless network. Your request for a digital certificate will be processed, and you will be notified by campus email when the files are ready for installation.

PLEASE ALLOW ONE WEEK FOR YOUR REQUEST TO BE PROCESSED.

Use of the wireless network at Bridgewater College must adhere to the Acceptable Use Guidelines which can be viewed online at <http://www.bridgewater.edu/FacultyAndStaff/ITCenter/AcceptableUseGuidelines>.

Name: _____

Login ID: _____ Phone: _____

To protect your digital certificate, it is password encoded. You will need the password to install the certificate on your system; you will not need the password for normal operation. If you would like to choose the installation password, please enter it here. **DO NOT** use your Bridgewater Network password.
