Storm Chaser To Speak At Bridgewater College

Shot Inside Of Twister On Camera

HARRISONBURG - Extreme storm chaser and meteorologist Reed Timmer, the first person to capture the inside of a tornado on camera, will speak at Bridgewater College's Carter Center for Worship and Music at 7:30 p.m. Wednesday.

Timmer, CEO of Weather Fusion LLC and Extreme Tornado Tours LLC, has been featured on multiple television broadcast and cable networks, including Discovery Channel's "Storm Chasers" and "When Nature Strikes," according to a release.

Since 1999, Timmer has traveled the nation and has captured images from historic storms such as Hurricane Katrina and more than 250 tornadoes on film.

Timmer's lecture is part of the Harold H. Hersch Endowed Lecture Series and is free and open to the public.
