CREDITS

The **2008 BRIDGEWATER COLLEGE FOOTBALL RECORD BOOK** was compiled and produced by Matthew A. Barnhart. A special thanks goes to the six individuals who have held the position of sports information director at Bridgewater since 1980; Curt Dudley, Rob Washburn, Rob Marchiony, Doug Barton, Scott Garbarini, and Steve Cox. Without their years of service, these statistics would not have been available for this publication.

CONTENT INFORMATION

This record book was compiled from official game box scores and season statistical sheets from Bridgewater College sports information department files dating back 1968. Defensive statistics were comprehensive enough to include starting in 1981. Previous season media guides provided much of the all-time results information back to Bridgewater's first football game in 1899. Any statistics mentioned prior to the 1968 season were found in yearbooks and old local and student newspapers. Other sources were used for cross-referencing.

EAGLES FAST FACT

In only his second year as a head coach, Michael Clark led the Eagles to a runner-up finish in the ODAC in 1996.

One of BC's two losses that year was to the eventual conference champion, Emory & Henry. In that game, the Eagles had the ball down only six points with 3:01 remaining in the fourth quarter. The drive started on the Wasps' 48-yard line, but BC went four-and-out. E&H then ran the clock out to win 20-14.
