Chaplain Robbie

Welcome to spiritual life at BC!
The mission of Bridgewater College is to educate the whole person—mind, body and spirit. From the moment we take our first breath to the moment we take our last, I believe we are all on a spiritual journey. And because we’re all at a different place on that journey, BC offers a variety of ways to pursue the spiritual path that is right for you.

Recognizing there is more to life than getting ahead, BC encourages you to cultivate your own spiritual beliefs and values during the college years. And recognizing there is more to spirituality than getting to heaven, BC encourages you to apply those spiritual beliefs and values to the relationships you engage with people all over the world. Campus events TBA.

Wishing you peace,

Chaplain Robbie
